PABLO BAYONA

GAME DEVELOPER - PROGRAMMER

ABOUT ME

Hi! I'm Pablo. From a very young age I have always been interested in the world of video games and I have been learning about it.

I am currently finishing my university studies and I am looking for an internship in a company, within the video game sector.

I consider myself a proactive, hard-working and dedicated person, very familiar with teamwork, self-demanding and eager to keep learning and demonstrate everything I know.
